WHEREAS, information issued by the federal Center for Disease Control and the Texas Department of Health Services related to the Corona/Covid 19 virus have stressed undertaking steps to control of the virus; and

WHEREAS, those entities have urged that the failure to take steps to diminish the spread of the virus will result in the overwhelming of the health care system in this area with a concomitant increase of mortality; and

WHEREAS, the Galveston County Health District has confirmed the presence of Corona virus in Galveston County caused by community spread and the number of active cases in the County continues to grow; and
